NEWS RELEASE

ALDRIN APPOINTS NEW DIRECTOR

TSX Venture Exchange: ALN

Vancouver, B.C. – September 17, 2015 – Aldrin Resource Corp. (TSX.V: ALN) is very pleased to announce the appointment of Mr. Brian LaRocco, as a director of the Company.

Mr. LaRocco has most recently held senior level real estate executive positions with land development companies. In those capacities, he was responsible for several key functions, including project risk management, corporate risk management, finance, debt and equity sourcing. Prior to that, he was a senior financial statement auditor for Arthur Andersen and KPMG, with clients ranging from small start-ups to Fortune 500 companies. He holds a Bachelor of Science in Accounting from Mount Saint Mary College, a Masters in Business Administration with a concentration in Finance from Quinnipiac University as well as an active Certified Public Accountant license in New York State. He currently resides in Phoenix, AZ with his wife and two daughters.

Aldrin CEO, Johnathan More states that "We are extremely pleased to have Brian join the Board of Aldrin at a time the Company is about to embark on an aggressive phase of exploration of its primary property, the Triple M and examination of additional prospective targets."

The Company also wishes to thank Mr. Edward Marlow who is resigning from the Board of Directors but has agreed to remain as an advisor to Aldrin. Mr. Marlow's continued involvement with the Company in an advisory capacity will be of benefit to the shareholders.

About Aldrin Resource Corp.

Aldrin Resource Corporation is a Canadian-based uranium exploration and development company that trades on the TSX Venture Exchange under the symbol V:ALN. The company has assembled an exploration property portfolio in one of the most exciting uranium exploration regions in the world, the Paterson Lake District, Saskatchewan. Aldrin is seeking to identify, target and develop high-grade basement uranium deposits similar to those found in the Athabasca Basin.
